Welcome to Bear Paw Lodge. Located in remote North-western Ontario, Caribou Lake offers spectacular scenery, fabulous fishing, and tranquility second to none. The lake is 25 miles long and 5 miles wide with over 2800 miles of shoreline. Its west shore borders one of Canada's largest wilderness parks, Wabakimi, which ensures that the lake will remain in its pristine condition for generations to come.

With so little pressure on the lake, chances are good that you may go out fishing and not see anybody else. There are so many islands and bays that hold fish you can truly feel like you're the only person in the world. True tranquility. I always find it amazing that one's hearing fine tunes to the subtle sounds of nature. You can be drifting along a shoreline and hear a twig snap and if you are lucky, you can watch a moose or caribou walk out.

Your hosts, Joy & Darcy, invite you to join us on Caribou Lake for a week of great fishing and relaxation.

For the enjoyment of all our registered guests, Bear Paw Lodge sponsors an annual fishing derby, and the winners receive free accommodation the following season. Congratulations for the 2023 season go to:

Walleye – Al Pieczynski – 5lb 13oz
Northern Pike – David Olmstead – 15lb 2oz
Lake Trout – Chad Bilderback – 8lb 15oz

Bear Hunts

Our fall bear hunts consistently produce fine animals. We limit our hunt to 10 people per season to ensure that each hunter has the best opportunity to see a bear. Our success rate is very high due to the sheer size of our management unit and the number of bears in it. Each hunter has a choice on bait sites, and we will help in setting up your stand and clearing shooting lanes. Our rates are \$1800.00 CDN. per person (\$500 deposit, minimum 2 persons). The hunting packages run from Saturday to the following Friday and includes:

- Black Bear license and tag
- Active bait sites
- Retrieval assistance
- Accommodations
- Regular camp boat

For further details, please go to the Bear Hunt page.

Rates

<i>Accommodations/wk/pp</i>	<i>Boat</i>	<i>Boat Rate/wk/pp</i>	<i>Total Rate/wk/pp</i>
